Orleans, ON K4A0G5 | +1 343 988 8740 | kellyann.les678@gmail.com

Professional summary

Bilingual multidisciplinary design student at the University of Ottawa with over three years of customer service and retail experience. Strong organizational, communication, and multitasking skills, with experience handling customer inquiries, maintaining accurate records, processing transactions, and working in fast-paced environments. Dependable, detail-oriented, and comfortable learning new software and procedures.

Work experience

Paint Associate

Preston Hardware | Orleans, ON

May 2023 to Present

- Provide customer service and product information to homeowners, contractors, and other customers, responding to inquiries and helping resolve concerns professionally.
- Experience answering phone calls, taking messages and helping customers find the right person for their needs.
- Manage multiple customer orders simultaneously, coordinating product availability, receiving, and timely fulfillment while maintaining accuracy.
- Assist with ordering and receiving goods and supplies, ensuring items are properly organized and available when needed.
- Maintain accurate digital and physical records, including sales logs, invoices, and other departmental documentation.
- Prepare daily financial summaries and reconcile cash, debit, and credit transactions to ensure accuracy.
- Use Microsoft Excel and other computer systems to organize information, maintain records, and support daily department operations.
- Follow company policies, safety procedures, and operational standards while working in a fast-paced retail environment.
- Assist in training new employees on store procedures and customer service expectations, demonstrating dependability and attention to detail.
- Applied knowledge of colour theory and design principles to assist customers in selecting appropriate colour palettes and finishes, ensuring cohesive and visually effective results.
- Evaluated how colour, texture, and material selections interact within a space, providing product knowledge and design guidance to help homeowners and contractors achieve their desired results.

Paint & Design Intern

Preston Hardware | Ottawa, ON

May 2026 to August 2026

- Participated in site visits and coating inspections, observing surface preparation, paint application, and film-thickness measurements while learning to interpret technical specifications and communicate findings with project teams and suppliers.
- Assisted with material and colour selections for residential, commercial, and industrial projects by analysing existing surroundings, client needs, and project requirements to recommend appropriate finishes.

Cashier

Canadian Tire Corporation Ltd | Orleans, ON

May 2022 to January 2023

- Provided customer service in a fast-paced retail environment, assisting with billing questions and resolving payment-related concerns.
- Processed customer payments accurately using multiple payment methods while maintaining efficient and professional service.
- Managed invoice-based transactions at the auto service cash, handling detailed financial documentation and customer vehicle keys.

- Monitored the self-serve area, cash machines, and computer systems to support smooth daily operations and maintain a safe environment.
- Adapted to changing priorities while maintaining accuracy, professionalism, and attention to detail

Painter Apprentice
Send-A-Fella HS | Ottawa, ON
July 2021 to September 2021
- Assisted with project preparation and task execution in a fast-paced work environment.
- Demonstrated strong attention to detail and commitment to delivering high-quality results.
- Managed time effectively to meet painting project deadlines while maintaining consistent standards.
- Contributed to a collaborative team dynamic and adapted quickly to changing priorities.
- Gained insight into professional workplace expectations, client interaction, and operational workflows.

Volunteer Work
Cumberlands Farmer's Market organization | Cumberland, ON
June 2021 to September 2021
- Assisted with event setup, vendor coordination, and maintaining a safe, organized environment.
- Welcomed exhibitors and visitors while providing attentive customer service.
- Supported the Event Manager with event operations and safety procedures.
